Annual Family Campout and Canoe Weekend

Mystery Creek (Chinook) Campground - Aug.6-8,2010

After reading this preliminary notice you need to do three things... (1) mark your calendar, (2) tell your spouse about the event so she/he can get excited and (3) reply with the information requested below! Please give serious consideration to join us in August for fun, frivolity and family friendly (although sometimes wet) canoeing down the Muskegon River!

Mystery Creek Campground is located approximately 30 miles north of Grand Rapids. The campground is well maintained and offers amenities for all ages. Campsites are plentiful and you will be camping on grass with ample water and electric available if needed. Everything from small tents to large motor homes will be no problem!

This early information is published to insure you have open time and (of course), gauge the interest level in this year's event. This is a family friendly and inexpensive way to have fun without breaking the bank and a great time will be had by all. You do not need to be a member of the Michigan Section IMSA to attend so don't let that stop you!

It is anticipated that watercraft will again be provided at no cost for your Saturday river trip and your choice of craft would tubes, inflatable lounge chairs, six person rafts, kayaks and canoes. You can even bring your own equipment if you desire. The river trip might push the limits of endurance but that will be based on the amount (and type) of beverages you bring!

For those who need the security of a warm cushy bed and your own 'facilities', arrangements with a nice, cost effective 'Mom & Pop' will be arranged to accommodate you.

If you are interested in attending this weekend of fun, please send in the information below asap. The official meeting notice will be published this summer but details are not expected to change. We also expect camping cost will remain close to last year's price - a super value indeed!
